Dear Donovan,

Thank you for introducing a resolution in the City Council to request further study regarding the proposed development of Turtle Bay. Your efforts are greatly appreciated!

I just DON'T UNDERSTAND WHY THE CITY COUNCIL DID NOT VOTE ON THE RESOLUTION on March 28?????

Please continue to work closely with your colleagues - and educate them about the importance of saving some small piece of 'country' Oahu for future generations to enjoy.

I know you understand that this is an island-wide issue - and that the potential loss of this last stretch of tranquility and beauty would affect the entire island.

We DO NOT need a mega resort on the North Shore. We DO NOT need a four-lane highway -- or turn lanes -- into the Turtle Bay Resort. We DO NOT need vulture capitalists like Oaktree coming in and dividing and destroying our community.

Please continue to FIGHT for the people and the State of Hawaii!
 We appreciate your hard work and your service,

Dorothy Aeto
